Wholesale Agreement

Thank you for your interest in fabrics from The Needle Shop! Please read the following policies carefully before signing this agreement.

Changes to Your Order

Once you have placed your order we cannot make any changes other than additions or exchanges. The Needle Shop reserves the right to refuse and or limit sales.

Exchanges and Refunds

We are happy to exchange damaged fabric. Should damage occur during delivery, do not remove the fabric from the box. Please contact us immediately for instructions, and we will send you a replacement shipment as soon as possible. Please note that we do not issue refunds unless the fabric you ordered is unavailable.

Exchanges and refunds will not be honored if the fabric has been altered in any way, so please be sure to thoroughly inspect your fabric before cutting or washing.

Retail Policies

We ask that all retailers sell The Needle Shop fabrics for the suggested retail price of \$16.00 per yard for 30 days after the release date (TBD). Please understand that the MSRP is determined to allow all retailers a fair profit. Should retailers advertise a price lower than the MSRP within the first 30 days after the release date (TBD), they will risk termination of their wholesale account.

The Needle Shop does not allow wholesale accounts for Fabric Co-Ops. If it is determined that you are a Co-op, your account will be terminated immediately. We do not condone pre-selling of our fabric and will not be responsible for delivery date expectations due to pre-selling.

Manufacturing

The Needle Shop is not responsible for any product manufactured from our fabrics. The Needle Shop fabrics are not intended for children's sleepwear, as this violates the US Consumer Product Safety Commission's Children's Sleepwear Regulations. We cannot offer exclusivity of our designs but will be happy to discuss exclusive designs with interested parties; please email us at wholesale@theneedleshop.net.

Availability

Since this will be The Needle Shop's first collection, availability is limited. We cannot guarantee that every print you order will be available. Please let us know in advance if you wish for us to ship your order only if it is complete. Otherwise we will ship all orders as available on a first come, first served basis.
